

### GCBHS Sliding Fee Schedule FY 2019

Persons in Household	Household Gross Annual Income
1	\$24,280
2	\$32,920
3	\$41,560
4	\$50,200
5	\$58,840
6	\$67,480
7	\$76,120
8	\$84,760
For households with more than 8 members, add \$8,640 for each additional member. (This is the same increment that is applicable to small family sizes, as indicated by the figures above.) <b>FY19</b>	

**Note:** In case of an adult client living with his/her parents or family, only the income of the client should be considered when calculating household gross annual income. However, a spouse or child living with the client and providing income should be included in the annual income total.

**Persons eligible for state-funded services must meet income eligibility criteria. This is currently set at 200 percent of the Federal poverty level. No income criteria apply to persons in crisis or to children twenty years of age or younger.**

We have the following private pay scale available for those individuals who do not meet the Federal poverty level.

Screening	no charge	30 minutes	BHRS/LMHP
Assessment/Treatment Plan	\$75.00	per hour	LMHP
Individual Therapy/ Family Therapy	\$75.00	per hour	LMHP
Group Therapy	\$40.00	per hour	LMHP
Medication Clinic	\$50.00	per visit	Dr. visit & prescription only. We do not provide medications.
Case Management	\$20.00	30 minutes	To include; but not limited to: Advocacy, Consultation & report writing
None of the services listed include court appearances or conversation (advocacy) with any officer of the court.
