

A photograph of a modern building with a prominent red archway featuring a white logo. The text "Welcome To Green Country Behavioral Health Services" is overlaid on the image in a mix of script and serif fonts.

Welcome To Green Country Behavioral Health Services

What is a CCBHC?

CCBHC stands for **Certified Community Behavioral Health Clinic**. It's a special designation given to clinics that provide comprehensive, coordinated behavioral health services to anyone who walks through the door, regardless of insurance, income, or ability to pay.

Green Country Behavioral Health is Proud to be a CCBHC.

That means:

- You'll have access to a wide range of services—all coordinated to support your journey holistically.
 - We're available in a crisis, anytime-day or night.
 - We Work with your physical health providers, social support, and family, helping you stay on track.
 - You'll receive quality, evidence-based care regardless of your circumstances.
-

Our vision is to be the team of excellence and leaders in the provision of quality services.

Why it Matters:

Expanded Access

CCBHCs open doors to care more quickly—well ahead of the national average wait time.

Improved Outcomes

Facilities offering the CCBHC model have significantly reduced hospital visits and strengthened follow-up care and workforce retention.

Integrated Care

Coordinates mental health, substance use, and physical health services under one roof, with support extending into communities and schools.

Welcome to Green Country Behavioral Health Services. We're honored to support you on your journey toward better mental health. Our mission is to create a safe, supportive and welcoming environment where those we serve can gain skills and resources necessary to lead healthy, self-sufficient, productive lives.
